

FIBRE CRAFT INDUSTRIES

GROUNDING SET

FIBRE CRAFT INDUSTRIES introduces a complete range of grounding sets in different sizes and lengths. Yellow or clear flexible grounding cable is used. This complete set of ground clamps, cable, and accessories gives all of the equipment needed for many types of distribution structures in one easy to use kit. Standard set features shrouded, threaded copper ferrules with shrink tubing which offers excellent connection and strain relief properties. Three leg sets for use in vaults, ESS, low profile switch gear, sectionalizers, wall mounted metal switches, fuse cabinets and many other areas.
